Kinsale, August 6. On the 4th instant arriv'd the Feversham and Arundel Men of War from convoying the outward bound West-India Fleet. This day arriv'd here the Katharine Sloop of this Town from Cork, Phillip Harris Master, who says a Portuguese Ship was come in there, which in her passage saw an English Merchant Ship of 20 Guns engag'd with 2 French Privateers, who at last overpower'd her and oblig'd her to strike.

Sheilds, August 13. Yesterday a small Fleet of Scotch Ships arriv'd here from Holland under Convoy of 3 Dutch Men of War, who hearing of the Damage done to the Dutch Herring-Busses in Leith Road

Road were unwilling to proceed; an Account of which we have in an Affidavit made to Collonel Villiers Governour of Tinmouth Castle, which is as followeth, On Saturday the 24th of July a small Vessel of 8 Guns and 80 Men, Abraham de Wise Commander, follow'd the Dutch Fleet of Herring-Busses all day, and at night he sail'd to give Intelligence to 3 French Men of War that lay betwixt Aberdeen and Leith of 50, 30 and 28 Guns, who on Sunday in the Afternoon, having English Colours, came up with a Dutch Man of War who saluted them with 9 Guns, and the French return'd 5, and about an hour after they surrounded the Dutch Ship and fir'd at her Rigging. On Tuesday they were joyn'd by Monsieur Ponti with 3 Men of War of 50, 40 and 30 Guns, and having taken the Dutch Man of War on Friday, they all of them, with the afore-said Vessel of 8 Guns, made after the Herring-Busses which consisted of 200 Sail under the Convoy of 4 Men of War, and after the taking of 3 of the Men of War and about 8 or 10 of the Busses, on Saturday, not having Men enough to Man them all, burnt 2 of the least; all the rest of the Busses made their escape with the other Man of War into Leith. On the 4th instant they put 200 Men on board 2 of the Busses and set them on shore. These French Men of War expect to be joyn'd by 3 more from Brest, and then intend to proceed to the Greenland Fishing. This is an account from a Dutchman that was on board the Dutch Man of War, who speaks French very well, which has been since confirm'd by several others, to whom the Collonel gave Passes for their getting home, who likewise say that Monsieur St. Pol made a considerable Present to Captain de Wise for his Diligence. We have a pretty large Fleet of laden Colliers that stay for Convoy.

Bristol, August 14. Yesterday came in the New York Brigantine which brought Advice, that the Elizabeth and Phebe, the little Bristol and the Faithful Prize belonging to this Port, were taken and carried to Martineco.

Hull, August 14. Some days since a French Privateer took 6 or 7 light Colliers. This day about 50 Sail of light Ships under Convoy of the Solebay sail'd Northward.
